我想为你唱一首快乐的歌
I want to sing you a happy song

一首让你忘了所有悲伤的歌
A song that makes you forget all sadness and pain

我们漂泊在那平庸之海
We drift in that sea of mediocrity

不管变成钻石或者成为尘埃
No matter turning into diamonds or fading to dusts

谁想永远的活在这无人旷野
Who wants to live forever in this desolate wilderness

谁又想就这样消失在黑夜
Who wants to just vanish in the dark night like this

就这样
Just the way it is

随便吧
Whatever I don't care

就算眼泪掉下来
Even if tears fall down

就这样
Just the way it is

随便吧
Whatever I don't care

嘲笑我们的孤独吧
Laugh at our solitude

我们生来不属于什么地方
We were born belonging to nowhere

我想为你唱一首快乐的歌
I want to sing you a happy song

一首让你忘了所有悲伤的歌

A song that makes you forget all sadness and pain

我们都会消失在那平庸之海
We'll all vanish in that sea of mediocrity

不管选择原谅还是决定离开
No matter choosing to forgive or deciding to leave

是谁在心里面流亡了那么远
Who it is that has exiled so far within their heart

决定去穿越孤独的国境线
And decided to cross the border of solitude

谁的眼睛看穿了那无限虚空
Whose eyes see through that endless voids

谁还不是这样活在现在
Whoever isn't living at the present like this

就这样
Just the way it is

随便吧
Whatever I don't care

别让眼泪掉下来
Don't let the tears flow down

就这样
Just the way it is

随便吧
Whatever I don't care

嘲笑我们的孤独吧
Laugh at our solitude

我们生来不属于什么地方
We were born belonging to nowhere

就这样
Just the way it is

随便吧
Whatever I don't care

嘲笑我们的孤独吧
Laugh at our solitude

暂时让我们忘记所有悲伤
Let's forget all sadness and pain for now

就这样

Just the way it is

随便吧
Whatever I don't care

嘲笑我们的孤独吧
Laugh at our solitude

我们生来不属于什么地方
We were born belonging to nowhere

就这样
Just the way it is

随便吧
Whatever I don't care

嘲笑我们的孤独吧
Laugh at our solitude

只要这样一首歌为我们唱
As long as here is such a song being sung for us
