梦是什么
What are dreams

是白色的泡沫
They are white foams

是啤酒花里我们吐出的野马
They are wild horses we eject in hops

带我在这世界
Take me in this world

闪电般地奔跑
Race like lightening

我们像野马一样
We are like wild horses

在这世界上
In the world

你看到了什么
What did you see

在八英里的空中
In the skies eight miles high

放浪的时光总显匆忙
Reckless time always feels rushed

爱只永恒在电视上
Love is eternal only on TV

仍然放任自流
Yet we drift recklessly

勇敢到没有了方向
Fearless til losing all directions

勇敢得像一只野马
Fearless like a wild horse

它正在闪闪发光
It is gleaming bling bling

我们像只野马一样在这城市里流淌
Like a wild horse, in this city, we flow

浪费了太阳
也从不会感到悲伤
Wasting sunlight but never feeling sad

我们像只野马一样
Like a wild horse

在这城市里流淌
In the city we flow

浪费了太阳
Wasting sunlight

也从不感到悲伤
but never feeling sad

我们像只野马一样
Like a wild horse

在这城市里流淌
In the city we flow

浪费了太阳
Wasting sunlight

也从不感到悲伤
but never feeling sad

你还记得什么
What did you still remember

当一个人在街上醒来
When waking up alone on the street

看狂喜的太阳从天际线升起
Watching ecstatic sun rising over skyline

你知道又是你自己
You know it's yourself again

当你一无所有时
When you have nothing

再也不必感到害怕
There is no need to fear

吐出的那一只野马
That wild horse you ejected

在这世界上

In the world

我们像只野马一样
Like a wild horse

在这城市里流淌
In the city we flow

浪费了太阳
Wasting sunlight

也从不感到悲伤
but never feeling sad

我们像只野马一样
Like a wild horse

在这城市里流淌
In the city we flow

多希望看到
How we wish to see

不一样的明天
a different tomorrow
